Enthusiastic Computer Science student with 3 years of experience in Java, data structures, algorithms, and full-stack web development. Skilled in project management, team leadership, and effective communication. Committed to continuous learning and delivering high-quality results. Seeking to contribute technical expertise and leadership to a dynamic tech company.

Education

SRM Institute of Science and Technology B.Tech · Computer Science · Chennai, India	Jun 2022 – Present 8.97 CGPA
SJS Public School 12th · CBSE · Kasganj, India	Jun 2020 – Jul 2021 73.2%
SJS Public School 10th · CBSE · Kasganj, India	Jun 2018 – Jul 2019 82%

Skills

Java, Data Structures and Algorithms, OOP, C++, Python, HTML, CSS, JavaScript, React.js, Node.js, Express.js, SQL, MongoDB, Git, GitHub

Projects

Personal Portfolio Website

· HTML, CSS, JavaScript, React.js

Developed a personal portfolio website to showcase skills, projects, and professional experience, focusing on responsive design and user-friendly navigation. Implemented features such as a project showcase, contact form, and social media integration, and deployed the site using a hosting platform with an emphasis on performance and accessibility.

Tutor Finder App

· HTML, CSS, JavaScript, React.js, MongoDB

A web-based platform to connect students with tutors based on their subject preferences. Implemented a user-friendly interface for easy tutor search and selection. Integrated a database to manage tutor listings and student inquiries, ensuring smooth functionality.

Chat Application

· HTML, CSS, JavaScript

Built a real-time chat application. Enables instant messaging with a responsive UI and seamless real-time communication. Designed for lightweight and efficient performance, making it ideal for quick interactions.

Volunteering

Jun 2024 – Jul 2024

Volunteer · Community Development

Volunteered at an old age home, providing support to residents through activities such as meal preparation, food and snack distribution, tea and rusk service, and cleaning. Expanded strong interpersonal and teamwork skills by assisting and engaging with residents and staff, contributing to a supportive community environment.
